

Pan  
 Arkadiusz Woronko  
 Kierownik Działu Zarządzania Transportem Publicznym

**Petycja**  
**mieszkańcy, studenci miasta Wrocław**  
**dotycząca utworzenia nowej linii tramwajowej Tarnogaj-Sępólno.**

My niżej wymienieni użytkownicy portalu społecznościowego Facebook zwracamy się z ponowną ogromną prośbą o utworzenie linii tramwajowej z Tarnogaju na Sępólno. Wielokrotnie zwracaliśmy uwagę na fakt, iż kursujące linie autobusowe 146 oraz 145 z osiedla Gaj do placu Grunwaldzkiego są przeciążone. Urząd miasta przeprowadzał badania dotyczące zatłoczenia w linii 146 i nie wykazał żadnego problemu. Jednakże ten problem jest, nadal istnieje i zauważyło go ponad 3 tysiące osób, zgłaszając chęć wzięcia udziału w wydarzeniu stworzonym na Facebooku, w celu zapoczątkowania inicjatywy stworzenia nowej linii tramwajowej Tarnogaj-Sępólno i sprawdzenia czy jest zainteresowanie tym tematem.

**Trasa:**

**TARNOGAJ** - Klimasa - Transbud - Nyska - BARDZKA - Kamienna - Prudnicka - Gajowa - Dyrekcyjna - DWORZEC AUTOBUSOWY - DWORZEC GŁ. PKP - Pułaskiego - Kościuszki - Komuny Paryskiej - pl.Wróblewskiego - Urząd Wojewódzki - most Grunwaldzki - PL.GRUNWALDZKI - Kliniki - Mickiewicza - Kopernika - 9 Maja - Godebskiego - **SĘPOLNO**

## Należy wymienić sporo znaczących argumentów, które sprzyjają w podjęciu pozytywnej decyzji w tej sprawie:

- linia ta łączyłaby bezpośrednio Dworzec Autobusowy i Kolejowy z Placem Grunwaldzkim, w większości trasa nowej linii wyznaczona byłaby po **wydzielonych torowiskach**, co skróciłoby czas przejazdu. Autobusy linii 146 i 145 niestety w godzinach szczytu tkwią w korkach. Ten przejazd byłby **BEZPOŚREDNI**, a nie tak jak zasugerowano w odpowiedzi na moją prośbę z czerwca, propozycja aż **4 przesiadek**. Jeśli mielibyśmy patrzeć na fakt, że przedstawiona linia pokrywa się z innymi liniami, to należałoby zlikwidować, którąś z 2 linii 31plus i 32plus, które różnią się 3 przystankami

- zostanie utworzone dodatkowe **połączenie tramwajowe z Tarnogajem**, któremu zostały zabrane, zlikwidowane poprzednie dwie linie **22** (Tarnogaj-Leśnica) i **15** (Tarnogaj-Marino),

- zostanie utworzone dodatkowe połączenie pomiędzy odcinkiem Dworzec PKP, a placem Wróblewskiego, gdzie obecnie kursuje linia 0, w celu rozładowania natłoku ludzi. Takiego jaki panował w tramwajach linii 4 podczas remontu torowiska na Podwalu.

przystanek: plac Wróblewskiego, linia 4, kierunek Biskupin. Ludzie oczekujący na otwarcie drzwi, jak widać spora liczba chętnych.

Autor zdjęcia:

Wojciech Wajda (student Transportu, PWr)

- niestety autobusy linii 146 kursują co 6-8 minut tylko w godzinach porannych, studenci potrzebują także **dojechać na uczelnie w innych godzinach**, a także z nich **wrócić**, co w odpowiedzi z dnia 1 czerwca od UM nie jest adekwatnym argumentem do obalenia inicjatywy,

- stworzenie tej linii i skierowanie jej przez plac Grunwaldzki nie spowoduje ograniczenia przepustowości na 3 i 4 peronie Placu Grunwaldzkiego, tak jak zasugerowano w odpowiedzi na list z dnia 1 czerwca 2012r., te przystanki są podwójne, a w razie konieczności mogą być potrójne,

- tramwaje mają większą pojemność pasażerów, niż autobusy i ulegają rzadziej wypadkom/awariom

- **będzie możliwość** przesiadki na nowym węźle przesiadkowym Dworzec Autobusowy ludzi dojeżdżających z Wojszyc liniami 612 i 113, bo przesiadka do autobusu linii 145 lub 146 na Dworcu Autobusowym jest niemożliwa,

- wielu studentów będzie mogło korzystać z tej nowej linii.

Studenci Uniwersytetu Wrocławskiego (dziennikarstwo/matematyka), Politechniki Wrocławskiej, Uniwersytetu Przyrodniczego, Akademii Medycznej – przystanek Plac Grunwaldzki, oraz studenci AWF-u pętla Sępolno,

- w celu poprawienia dojazdu do Parku Szczytnickiego i Ogrodu Japońskiego tak znanego i popularnego wśród turystów odwiedzających Wrocław, a także jego mieszkańców, którzy chętnie spędzają czas na świeżym powietrzu,

- w celu większego wykorzystania nowo-wybudowanego torowiska na ulicy Pułaskiego, dojazdu do Liceów Ogólnokształcących: LO 4 oraz LO 13, Techników i szkół ponadgimnazjalnych,

- sami kierowcy autobusów twierdzą, że w godzinach szczytu są potrzebne dodatkowe brygady autobusów, a po co jeśli można zastąpić autobusy ekologicznym tramwajem,

- linia o długości 10,5 km jest obsługiwana w szczycie przez 7-8 brygad, według nieoficjalnych obliczeń ponad 20 składów stoi na zajezdni nie kursując, więc dłaczego Wydział Transportu nie może stworzyć nowej linii,

- nowa linia ułatwi swobodny, bezpośredni dojazd do np. ośrodka Wojewódzkiego, starszym osobom do szpitala przy Klinikach, przychodni przy ulicy Dobrzyńskiej.

W świetle przytoczonych argumentów proszę poważnie potraktować sprawę i przedstawić konkretne, niepodważalne kontrargumenty z dołączoną dokumentacją, które ponad 3 tysiące niżej wymienionych osób, będzie w stanie zaakceptować i nie będzie miało poczucia zlekceważenia, potocznie mówiąc „olania” Prośby/Petycji przez urzędników miasta Wrocław.

Jeśli znowu zostaniemy zlekceważeni, będziemy dalej szukać ludzi popierających naszą inicjatywę. Nie wykluczamy, że ciągły brak współpracy UM ze studentami nie spowoduje legalnego protestu i zablokowania pewnego dnia torowisk tramwajowych na odcinku Eureka – Galeria Dominikańska, Galeria Dominikańska-Krasińskiego np. w godzinach szczytu co spowoduje przymusowe puszczenie tramwajów przez torowisko przy ulicy Pułaskiego w celu zauważenia przez Urzędników Miejskich problemu.

Dołączona lista osób popierających inicjatywę (**3 379 osób**):

**Name** – to nazwa realnego profilu osoby stworzonego na portalu społecznościowym Facebook, popierającej wydarzenie=inicjatywę. **Słowo „Going”** oznacza, że dana osoba weźmie udział w wydarzeniu=popiera pomysł/petycję.

**Name, Status**
